We would love to be able to purchase some affordable housing and name it after Fritz! "The Fritz Grutzner House of Hope".

Gary's Continuous Education

Gary was awarded a scholarship from the Posse Foundation, which aims to create leaders of individual and community change. This scholarship brought Gary to Madison, Wisconsin where he would attend the University of Wisconsin-Madison. However, due to battling mental health issues, his goals got interrupted and he ended up in and out of the educational system, eventually falling into homelessness.
